

## NEWS FROM THE PENTAGON

FHP Property Consultants are pleased to announce the letting of first floor prestigious office space to Citibank as they relocate from Pride Park.

Citibank have taken high quality first floor office space of approximately 4,461 ft<sup>2</sup> at the well known Pentagon House, a landmark office building on Sir Frank Whittle Way close to the Pentagon Island. Marketing the space on behalf of the current lessees, Balfour Beatty, Tim Richardson of FHP comments:

*"Citibank were looking for high quality space on flexible terms and identified Pentagon House as the ideal option for them. The quality of space, light airy accommodation, superfast broadband, manned reception and excellent parking ratio were a great attraction to them".*

FHP have 3 suites remaining of approximately 4,000 ft<sup>2</sup> each across the ground and first floor. They are in the process of agreeing terms for a further letting, but otherwise should be pleased to discuss the further space with any interested parties.
