JOE'S KITCHEN SIGN FOR INTU VICTORIA CENTRE CATERING QUARTER

Intu Victoria Centre is continuing to attract leading national restaurant brands, securing Joe's Kitchen, part of The Restaurant Group for their second restaurant in the development, alongside their sister brand Coast to Coast.

Joe's Kitchen have signed for a double unit comprising approximately 4,563 sq ft on a new 25 year lease on the first floor of the Catering Quarter. The unit will benefit from frontage to the internal mall and the new clock tower atrium providing stunning double height space around the Grade II listed clock tower.

Alan Pearson, Director of FHP commented:

"We are delighted to sign The Restaurant Group for their second outlet in the Intu Victoria Centre Catering Quarter for what will be their second shopping centre unit as part of their rollout. This will follow the opening of Joe's Kitchen at Intu Derby which FHP also acted on Intu's behalf earlier this year.

Joe's offer an all-day family dining which will appeal to Intu Victoria Centre's 24 million shoppers it attracts each year".

Johnny Buckle, Head of Leisure Acquisitions at The Restaurant Group said:

"Intu Victoria Centre is a prime shopping centre in the City of Nottingham attracting 24 million visitor per year so it is important that we have a presence here. Joe's Kitchen will be a great addition offering customers a relaxed dining environment and something with a difference to offer at Coast to Coast, which will also feature in the new Catering Quarter".

The new clock tower dining area is part of Intu Victoria Centre's £42 million refurbishment programme due to complete later this year. This includes new interior, entrances, enhanced lighting and the opening of the cater quarter where we have contracts exchanged with Handmade Burger, Coast to Coast, Tortilla and Ed's Easy Diner.
