REFURBISHED OFFICES PROVE POPULAR WITH EXISTING TENANT

FHP Property Consultants are pleased to announce the recent letting of 1.13-1.14 Centennial House, to BCT Aviation Maintenance Limited.

Centennial House is located close to East Midlands Airport, off Junction 24 of the M1, and provides good quality office accommodation within walking distance of the terminal.

Due to expansion, BCT have upsized within the building and now occupy 1,717ft².

Darran Severn of FHP Property Consultants comments:

“This is an excellent result for both our client and BCT, and we were able to negotiate a competitive package to suit both. There continues to be good demand for office space at Junction 24 with few opportunities available.”

There are currently a number of office suites still available in Centennial House ranging from 420ft² – 1,452ft².
