

INTERCHANGE 25 NEW HOME FOR COLEBY ASSOCIATES

Coleby Associates, a firm of chartered accountants, based in East Bridgford have expanded in a relocation to Unit 3 Interchange 25 Business Park located at Junction 25 of the M1 Motorway. The offices have recently been refurbished to a high standard by landlords, Hortons Estates Limited, white suited Coleby Associates to service their ongoing expansion following positive trading over the last few years.

Mark Tomlinson of FHP Property Consultants who acted on behalf of Hortons Estates in the deal commented:

“We have been working with our clients, Hortons, in presenting these offices in order to provide top quality space that caters to the requirements of modern occupiers. The offices on this site have been refurbished to provide new modern kitchen and welfare facilities as well as three pipe HVAC air conditioning system and LED lighting to provide a top quality working environment. I am delighted that we have achieved this deal with Coleby Associates who are an excellent addition to the tenant profile at Interchange 25 Business Park.

We have two further units on the market where refurbishments have just been completed, both of which provide two storey self-contained detached office buildings with excellent levels of onsite car parking, a rare commodity on many business parks.”
