BREAKING NEWS SANTA TO USE AIR CARGO CENTRE AS UK HUB

As part of the marketing campaign for the warehouse units at the Air Cargo Centre at East Midlands Airport, FHP Property Consultants on behalf of CEG have produced a seasonal mailer.

A copy is attached and we can offer units of circa 5,500 sq ft available to let now. The buildings sit on the airport campus with excellent access to Junction 23a of the M1 Motorway, the A50 and A42.

Tim Richardson from FHP Property Consultants, joint agents on the scheme, comments:

“These refurbished units provide an excellent opportunity to acquire space at the airport providing great access for both air and road transport. East Midlands Airport is the UK’s largest pure cargo airport and has ambitious plans for expansion”.

Santa added “Ho! Ho! Ho!”
