

Press release 2017

BLOOMSGROVE INDUSTRIAL ESTATE LETTING ALL WRAPPED UP BY FHP

FHP Property Consultants are delighted to announce the completion of the letting of Unit 9 Blooms Grove Industrial Estate to POS Packaging Ltd.

The unit measures over 16,000ft² and offers good quality warehousing space with additional office facilities for their already established business.

Thomas Szymkiw of FHP's Office and Industrial Team commented;-

"POS Packaging Ltd are a Nottingham based company who were in the market for a larger unit that would accommodate their expanding business. After looking for some time, this unit at Blooms Grove fitted their requirements perfectly and I very much wish them all the best for the future. These units are proving very popular with local occupiers due to their desirable location with good transport links and this letting means that we are now at 100% occupancy on the estate"

For further information, or to see how FHP can help sell or let your industrial premises, please do not hesitate to contact Thomas Szymkiw on 0115 841 1159 or email thomas@fhp.co.uk.
