

Press release 2017

JUST ONE UNIT REMAINING ON COLWICK QUAYS BUSINESS PARK!

Following the marketing of some 5,500 sq ft of offices at Colwick Quays Business Park over three self-contained units, there is now just one unit remaining following the reservation of two units where the leases are expected to be completed in the coming weeks.

The last remaining unit provides a two storey self-contained modern office building of 1,500 sq ft which is perfect for a small to medium sized business looking for an attractive office environment in this riverside location just to the east of Nottingham City Centre.

Such is the demand for property in this location, owners, RH Developments, are on site constructing a new 10,000 sq ft facility for Copley Scientific to harness their expansion plans in the area and plan to build a further 35,000 sq ft of light industrial units on the next phase of the site.

For further information on the offices or the light industrial property options available at Colwick Quays, please contact Mark Tomlinson of FHP Property Consultants on 0115 841 1134 or mark@fhp.co.uk.
