## CUTTING EDGE HAIR STYLIST JAMES WHITE TAKES OCCUPATION IN WEST BRIDGFORD

I am delighted to announce the letting of the first-floor office space at 32-34 Gordon Road to one of the UK's must have wedding hair stylists, James White.

The property benefits from a prominent position in the renowned West Bridgford area, being in close proximity to the bars, restaurants, shops and cafes. Also benefitting from major transport links with bus stops in walking distance & Nottingham's Train Station just a 10-minute drive time away, and having direct access to Loughborough Road (A60).

The property comprises a first-floor self-contained office suite, which James White saw as an opportunity and decided to go through the planning process to gain a change of use from B1 offices to A1 retail, which I am delighted they achieved.

Anthony Barrowcliffe of FHP added:

*"James White Hair is a well-established business entering the prominent and affluent area of West Bridgford. The space perfectly meets their requirements, and in my opinion they are a superb addition to West Bridgford. I wish James White luck and look forward to watching his business flourish."*
