

Press release 2017

HIGH SPECIFICATION WAREHOUSE NOW AVAILABLE ON POPULAR ALFRETON ESTATE

FHP Property Consultants are delighted to offer to the market Unit 3 Securiparc, Wimsey Way, Alfreton.

The unit measures 292m² (3,140ft²) and offers a high-quality warehousing space with exemplary security provisions and private parking, also benefitting from its excellent access to the A38 carriageway and onward to Junction 28 of the M1.

Anthony Barrowcliffe of FHP Office & Industrial Team comments:

“This is a very popular estate which we have had great success on, having achieved full occupancy for quite some time, therefore we believe this to be a rare opportunity for any potential occupier looking for a high specification warehouse at a competitive rate and on good terms.”

The unit also benefits from a full mezzanine floor, full height electric roller shutter door, hot air blower, and intercom system. Not only this the site is known as Securiparc due to its outstanding standards in security, but also benefits from an exceptionally well kept, maintained and managed site.”
