Anthony Barrowcliffe of FHP commented:

"I have thoroughly enjoyed working with Julie Wesson and her husband Richard Haywood on this transaction alongside the landlord Darwin Clayton (UK) Ltd, and I am delighted that we have achieved the outcome we have.

The speed of this transaction from the initial interest to completion was exceptionally quick, and a great outcome for both tenant and landlord. Due to unfortunate and unforeseen circumstances the tenant needed to find new premises quickly, which FHP were delighted to assist with from start to finish."
