

DAHER AEROSPACE EXPAND IN DERBY

Established Derby based business, Daher Aerospace UK, have taken additional space on Raynesway Park, within a few minutes drive of their main customer, Rolls-Royce.

FHP Property Consultants brokered the letting of this modern detached warehouse unit of 14,600ft².

Tim Richardson of FHP Property Consultants comments:-

"Raynesway Park occupies in an excellent position on the south east side of the City on Raynesway, providing fast access on major trunk roads both round Derby and beyond including the A50 dual carriageway linking to the M1. Being within a few minutes drive of their major customer and their own UK headquarters in Sinfin was a main consideration, and the refurbishment by the landlords has provided a high quality space."

"We are currently experiencing a shortage of modern space within Derby and the surrounding area. Indeed, on Raynesway Park the adjoining units of 11,000ft² are under offer and Unit 2 of 5,000ft² has also recently been let."

Daher Aerospace are renowned experts in industrial integrated logistics, flow line handling equipment, engineering, and industrial packaging with their UK headquarters in Derby. The business is represented in 11 countries with a global revenue of €1.2bn, specialising in aerospace and advanced technologies.
