Anthony Barrowcliffe of FHP comments: -

“Boccia England have been looking for a new office for some time, viewing several options with FHP. Therefore, I am delighted we could find them an office to meet their requirement. Currently with everything going on politically and the levels of uncertainty in the market it is encouraging to see businesses and charities making progressive office moves, especially to non-city centre office locations.”

Chris Ratcliffe CEO of Boccia England Limited comments: -

“After an exhaustive search, we are pleased to be in an office that suits our requirements. We are grateful to FHP and Venus Estates for helping us through this process and getting things in place and the team at Boccia England is already benefitting from a much-improved working environment”.
