

30,000FT² LET AT ROSELAND BUSINESS PARK- NEWARK

I am delighted to announce that 7a Roseland Business Park has now achieved practical completion and a deal has been agreed for Bennington Foods to take a new build industrial unit of 30,000ft² on a new lease. This was the first new build project at Roseland Business Park, and we are delighted with the outcome and success.

We have many more options still available at Roseland Business Park with a range of existing buildings available ideal for cost effective short- and long-term storage, production and manufacturing ranging from 11,854ft² to 45,166ft².

Anthony Barrowcliffe from FHP comments: -

“Currently we have several different options at Roseland Business Park to meet different size requirements as well as further developments still to come. Not only do we have existing stock immediately available for occupation we also have new design and build options.”

“What we offer at Roseland Business Park is a unique cost-effective location providing value for money on a secure self-contained site with excellent access to the A1, alongside 24-hour security. Therefore, I look forward to discussing all the available options with all interested parties”
