

HERMES OPEN AND TRADING AT PANATTONI PARK, NOTTINGHAM

It is really fulfilling to see the press releases confirming that Hermes are now opening at Panattoni Park, Nottingham and creating 100 jobs.

For us at FHP it is the culmination of more than 15 years' work - when we first became involved in the site it was being reclaimed and filled by our Clients, BGL Landfill.

We worked with a number of Developers and finally Panattoni have delivered such an exciting scheme building 714,000ft² in a deal of regional and national significance.

We are continuing to work on a number of strategic new schemes throughout the region.

Contact one of the team to discuss any of your requirements, whether they be small or large.
