

EXCELLENT STORAGE SPACE AVAILABLE IN MANSFIELD

With the benefit of its own securely fenced and gated large yard and car park, Unit B1 Concorde Way, Millennium Business Park offers good quality storage or potential production space which is immediately available on a new lease.

The current occupier is leaving due to outgrowing the space, which is great news to hear as the industrial and distribution market continues to perform well with stock levels still lower than would be ideal.

This building offers an excellent opportunity for any expanding distribution or potential manufacturing company to take self-contained space which provides an excellent working environment.

To be marketed by Tim Gilbertson and Chris Proctor of FHP, early interest is sought with the building available immediately on a new lease.

For further information or to arrange a viewing, please contact either Tim Gilbertson (07887 787 893 / tim@fhp.co.uk) or Chris Proctor (07747 464 770 / chris@fhp.co.uk).
