FHP were ranked the 4th most active retail agent nationally in 2021 by EG Radius, transacting on 430,000 sq ft of accommodation.

Director Alan Pearson commented:

"I am delighted that we have found the need to be on the recruitment trail again. We are continuing to experience good levels of enquires for retail and leisure properties throughout the Midlands and the ongoing transactional volumes has resulted in the need to expand our team to service our valued client, both new and existing"

"There is no doubt the High Street is evolving, and we continually strive to be at the forefront of this. In Ellis we have a terrific colleague who can help our business grow as well as developing and growing her own career, as we continue to invest into the next generation of talent in the region."

Ellis commented:

"I am thrilled to join FHP's busy retail and leisure team. FHP is the ideal firm for young surveyors looking to thrive and establish their own property network. I have been empowered by my colleagues to think creatively and go out and make a mark in the sector. These values are particularly important to me and my ambition to progress in my career as a surveyor."

"I am thoroughly looking forward to working with our current clients and finding new opportunities in the market."
