## THERE'S ALWAYS TIME FOR SUSHI - NEW SUSHI BAR ROLLS INTO WORKSOP

There has been some new activity near the Savoy Cinema in Worksop with Ellis Cullen completing a letting to Always Sushi. The former café extending approximately 1,000 sq ft has been converted into a quirky, unique sushi parlour and boasts a huge menu offering a new cuisine to Worksop.

Ellis Cullen of FHP comments:

“It is brilliant to be a part of adding something different to Worksop; the property occupies a prominent position with return frontage onto Bridge Street, the main retailing pitch in Worksop Town Centre and I am thoroughly looking forward to taking my next trip and trying out their food!”

Greta Juzenaite, Director of Always Sushi adds:

“We have been looking for a premises for our new business venture for some time, our core focus was on finding the right property to set up and establish our business and we have done exactly that. It was great to work with Ellis who guided us through the process in an easy, straight forward manner. After our first few months of trading, we have been overwhelmed with the support and success and are excited for the future.”
