

Press Release 2024

HIGH QUALITY WAREHOUSE UNIT IN CHESTERFIELD SOLD TO LOCAL BUSINESS

FHP Property Consultants are delighted to announce the sale of Units 1 and 2 Whittington Way in Chesterfield, a fantastic modern warehouse providing 12,536ft² of accommodation across two units.

The units have been sold to Valve & Process Solutions Ltd, an existing Chesterfield occupier who have been seeking larger premises for some time.

Darran Severn of FHP Property Consultants comments:

"I am delighted that after high levels of interest we could secure a buyer for this property. There remains little space to buy on the market of any size throughout the region and as a result we were able to place this property under offer within a week of placing it on the market. As a result we achieved the guide price which is an excellent result for our clients.

I would be delighted to speak with any occupiers who are actively seeking space across Derbyshire or alternatively any property owners that are considering selling or leasing their unit".
