Location

The property sits in a prominent, busy location fronting the A52 Derby Road linking Nottingham City Centre to the Motorway, close to the Jubilee Campus of The University of Nottingham and Queens Medical Centre Teaching Hospital.

Description

The former residential property was home to the former Private School, Greenholme, which catered for 4-11 year olds which closed in 2011.

Internally the property comprises a number of former classrooms together with a small playground.

The property is in need of full refurbishment.

Planning

The existing Planning Consent is F1 covering Education and Religious uses.

Future Use

This building would be ideal for a small SEN School, Children's Nursery or Community/Religious Centre which is covered by the existing Planning Consent.

In addition, the building would work well for a Private Health Care facility covering cosmetics, beauty, medical and dentistry.

The building could also be restored to a single residential dwelling or converted to Apartments for private or student occupation.

We would expect Planning Consent could be secured for a change of use to Office, Medical or Residential Use.

Please make enquiries with the Planning Department of Nottingham City Council – 0115 876 4447.
