Owner Occupation/Investment

This property should be of interest to either owner occupiers or investors/developers.

Subject to various alterations being undertaken, it should be possible to extend the Blinds shop and the middle shop to the rear into the living accommodation, together with provision for separate toilets.

At the rear of this there is a conservatory/sun lounge which can be incorporated and used for storage purposes for one of the shops if so required.

A separate entrance would then need to be created for access to the first floor accommodation which consists of a substantial self-contained flat totalling 69.49m² (705 ft²). This will provide a spacious three-bedroom flat together with bathroom accommodation and first floor living room.
