

ALFRETON WAREHOUSE OF 23,000FT² COMES TO MARKET

Offering good quality detached warehouse or potential production space on a securely fenced and gated site with rear yard and additional front elevation car park, Tim Gilbertson of FHP Property Consultants is delighted to make available this high calibre building of just over 23,000ft² in Alfreton.

Occupying a prime position within moments access of the A38 and therefore benefiting from quick connections to Junction 28 of the M1 along the A38 to the east and Derby to the west, this simple building is ready to view now with occupation available from autumn this year.

Tim Gilbertson commented:

“Occupying a fabulous location within walking distance of the A38, this building is a welcome addition to the market providing really good quality warehouse space which benefits from its own yard and additional car parking, all set on a securely fenced and gated site.

A new lease is available with the building ready to view now and open for occupation in autumn this year, for any interested party either myself or my colleagues Harry Gamble or Darran Severn would be delighted to discuss and make arrangements to view.

If simple storage space with a secure yard is what you are looking for then this property on Keys Road in Alfreton certainly fits the bill.”

For further information or to make arrangements to view, please contact Tim Gilbertson (07887 787 893), Harry Gamble (07398 443 828) or Darran Severn (07917 460 031) of FHP Property Consultants.
