## Unbeatable Location

You quite literally cannot find a more prominent, recognisable, or popular student location in Nottingham. Situated dead-centre at the high-footfall junction of Lenton Boulevard and Derby Road, the properties sit in the absolute sweet spot that students actively hunt for.

The site sits perfectly positioned on the primary transit corridor between The University of Nottingham (UoN) campuses and Nottingham Trent University (NTU), guaranteeing a permanent, captive demographic of thousands of students passing the front door daily.

The properties sit directly adjacent to everything that makes student living effortless:

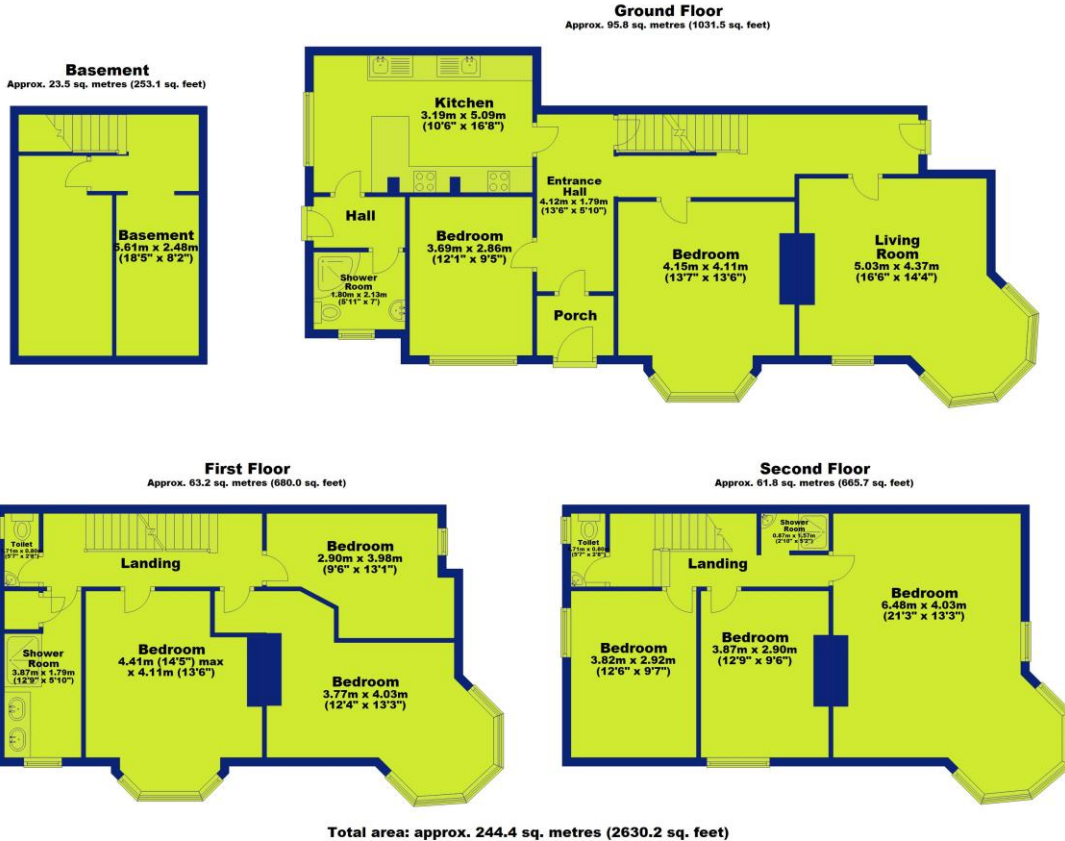

**Sainsbury's Local** & major student amenities right on the doorstep.

**The iconic Savoy Cinema** (Nottingham's legendary student landmark).

**Lenton Recreation Ground** and key social spaces.

**Key transport links**, with main student bus stops located directly adjacent to the building.

259 Derby Road

## Value-Add/Capital Upside

This property holds significant asset-management potential. Planning permission was previously granted (now expired) for a substantial downstairs kitchen extension into the car park alongside an additional bathroom. An incoming purchaser can reinstate this to convert the existing lounge into an 8th double bedroom, significantly driving up the capital value and future rental yield or build a new block in the car park (STP).

## Core Strengths & Market Positioning

**Unrivalled Exposure:** Command a highly visible location benefiting from over **41,000 vehicle movements per day**.

**Flawless Track Record:** 100% let for the past 13 consecutive years with current owners and over 30 years historically with strong rental levels strictly maintained.

**Elite Energy Efficiency:** In a tightening regulatory market, **both properties are solidly C-rated for EPC**, eliminating the immediate risk of costly energy efficiency upgrades
